4 **DOCUMENT WILL HAVE NO SUBSTANTIVE CHANGES BUT IS SUBJECT TO**
5 **FORMATTING CHANGES AS REQUIRED BY THE OFFICE OF THE SECRETARY**
6 **OF STATE.**

7
8 The Texas Workforce Commission (TWC) proposes amendments to the following section of
9 Chapter 843, relating to Job Matching Services:

10
11 Subchapter A. General Provisions, §843.2

12
13 **PART I. PURPOSE, BACKGROUND, AND AUTHORITY**

14 The purpose of the proposed Chapter 843 rule change is to amend references to "Veteran
15 Preference for Public Employment" to "Military Employment Preference" in accordance with
16 changes to Texas Government Code Chapters 656 and 657 resulting from the passage of Senate
17 Bill (SB) 1376 by the 88th Texas Legislature, Regular Session (2023).

18
19 SB 1376 expands the categories of eligibility for military employment preference, formerly
20 known as "veterans preference." The expanded eligibility provides military employment
21 preference to spouses of active members of the United States armed forces or Texas National
22 Guard, as well as spouses of veterans where the spouse is the primary source of income for the
23 household.

24
25 Texas Government Code §2001.039 requires that every four years each state agency review and
26 consider for readoption, revision, or repeal each rule adopted by that agency. TWC has
27 conducted a rule review of Chapter 843, Job Matching Services, and any changes are described
28 in Part II of this preamble.

29
30 **PART II. EXPLANATION OF INDIVIDUAL PROVISIONS**

31 (Note: Minor editorial changes are made that do not change the meaning of the rules and,
32 therefore, are not discussed in the Explanation of Individual Provisions.)

33
34 **SUBCHAPTER A. GENERAL PROVISIONS**

35 TWC proposes the following amendments to Subchapter A:

36
37 **§843.2. Public Employer Requirements Regarding Veterans Preference**

38 Section 843.2 is amended to change "veterans preferences" to "military employment
39 preferences." The section title is also amended to change Public Employer Requirements
40 Regarding Veterans Preference to Public Employer Requirements Regarding Military
41 Employment Preference.

42
43 **PART III. IMPACT STATEMENTS**

44 Chris Nelson, Chief Financial Officer, has determined that for each year of the first five years the
45 rules will be in effect, the following statements will apply:

1 There are no additional estimated costs to the state and to local governments expected as a result
2 of enforcing or administering the rules.

3
4 There are no estimated cost reductions to the state and to local governments as a result of
5 enforcing or administering the rules.

6
7 There are no estimated losses or increases in revenue to the state or to local governments as a
8 result of enforcing or administering the rules.

9
10 There are no foreseeable implications relating to costs or revenue of the state or local
11 governments as a result of enforcing or administering the rules.

12
13 There are no anticipated economic costs to individuals required to comply with the rules.

14
15 There is no anticipated adverse economic impact on small businesses, microbusinesses, or rural
16 communities as a result of enforcing or administering the rules.

17
18 Based on the analyses required by Texas Government Code, §2001.024, TWC has determined
19 that the requirement to repeal or amend a rule, as required by Texas Government Code,
20 §2001.0045, does not apply to this rulemaking.

21
22 Takings Impact Assessment

23 Under Texas Government Code, §2007.002(5), "taking" means a governmental action that
24 affects private real property, in whole or in part or temporarily or permanently, in a manner that
25 requires the governmental entity to compensate the private real property owner as provided by
26 the Fifth and Fourteenth Amendments to the US Constitution or the Texas Constitution, §17 or
27 §19, Article I, or restricts or limits the owner's right to the property that would otherwise exist in
28 the absence of the governmental action, and is the producing cause of a reduction of at least 25
29 percent in the market value of the affected private real property, determined by comparing the
30 market value of the property as if the governmental action is not in effect and the market value of
31 the property determined as if the governmental action is in effect. TWC completed a Takings
32 Impact Assessment for the proposed rulemaking action under Texas Government Code,
33 §2007.043. The primary purpose of this proposed rulemaking action, as discussed elsewhere in
34 this preamble, is to amend references to "Veteran Preference for Public Employment" to
35 "Military Employment Preference" in accordance with changes to Texas Government Code
36 resulting from passage of SB 1376 by the 88th Texas Legislature, Regular Session (2023).

37
38 The proposed rulemaking action will not create any additional burden on private real property or
39 affect private real property in a manner that would require compensation to private real property
40 owners under the US Constitution or the Texas Constitution. The proposal also will not affect
41 private real property in a manner that restricts or limits an owner's right to the property that
42 would otherwise exist in the absence of the governmental action. Therefore, the proposed
43 rulemaking will not cause a taking under Texas Government Code, Chapter 2007.

44
45 Government Growth Impact Statement

46 TWC has determined that during the first five years the rules will be in effect, they:

- 1 --will not create or eliminate a government program;
- 2 --will not require the creation or elimination of employee positions;
- 3 --will not require an increase or decrease in future legislative appropriations to TWC;
- 4 --will not require an increase or decrease in fees paid to TWC;
- 5 --will not create a new regulation;
- 6 --will not expand, limit, or eliminate an existing regulation;
- 7 --will not change the number of individuals subject to the rules; and
- 8 --will not positively or adversely affect the state's economy.

9

10 Economic Impact Statement and Regulatory Flexibility Analysis

11 TWC has determined that the rules /will not have an adverse economic impact on small
12 businesses or rural communities, as the proposed rules place no requirements on small businesses
13 or rural communities.

14

15 Mariana Vega, Director, Labor Market Information, has determined that there is not a significant
16 negative impact upon employment conditions in the state as a result of the rules.

17

18 Courtney Arbour, Director, Workforce Development Division, has determined that for each year
19 of the first five years the rules are in effect, the public benefit anticipated as a result of enforcing
20 the proposed rules will be to expand the categories of eligibility for military employment
21 preference, formerly known as "veterans preference." Specifically, the change provides that the
22 spouse of a member of the United States armed forces or Texas National Guard serving on active
23 duty qualifies for military employment preference. This preference will also be provided to the
24 spouse of a veteran if the spouse is the primary source of income for the household and the veteran
25 has a total disability rating based either on having a service-connected disability with a disability
26 rating of at least 70 percent or on individual unemployability.

27

28 TWC hereby certifies that the proposal has been reviewed by legal counsel and found to be
29 within TWC's legal authority to adopt.

30

31 **PART IV. COORDINATION ACTIVITIES**

32 SB 1376 amended Texas Government Code Chapter 656 and Chapter 657, making it necessary
33 for TWC to update rules under Texas Administrative Code Chapter 843, Job Matching Services,
34 accordingly.

35

36 **PART V. PUBLIC COMMENTS**

37 Comments on the proposed rules may be submitted to TWCPolicyComments@twc.texas.gov
38 and must be received no later than April 8, 2024.

39

40 **PART VI. STATUTORY AUTHORITY**

41 The rules are proposed under:

42 --Texas Government Code §657.009(c), which provides TWC with the authority to adopt rules to
43 facilitate the exchange of employment information between state agencies and individuals
44 entitled to military preference; and

45 --Texas Labor Code §301.0015 and §302.002(d), which provide TWC with the authority to
46 adopt, amend, or repeal such rules as it deems necessary for the effective administration of TWC
47 services and activities.

- 1
- 2 The proposed rules implement changes made to Texas Government Code Chapters 656 and 657
- 3 by SB 1376 of the 88th Texas Legislature, Regular Session, (2023).
