Workforce Service Delivery
Technical Assistance Bulletin #132

Program: Choices

Topic: Release of Webcasts on Temporary Assistance for Needy Families Reauthorization

Date: **September 29, 2006**

This Technical Assistance Bulletin provides information to Local Workforce Development Boards (Boards) on the release of informational Webcasts regarding Temporary Assistance for Needy Families (TANF) reauthorization and the impact on the delivery of Choices services.

To assist Boards with administering their individualized Choices services, the Texas Workforce Commission will release informational Webcasts regarding TANF reauthorization and the changes to Choices services.

The first Webcast, entitled “Choices Reauthorization News,” will be released on **Friday, September 29, 2006**, and provides the following.

- General information about how TANF reauthorization affects Texas
- Overview of Choices work participation, including changes resulting from TANF reauthorization

The Webcast can be accessed on the Training and Development Department’s Intranet Web page at http://intra.twc.state.tx.us/intranet/train/html/wc_choices.html

Please share this information with appropriate staff. Direct inquiries regarding this Technical Assistance Bulletin to the assigned contract manager for your local workforce development area.
