

TWIST Selective Service Screen Shots

Intake - Common – Characteristics Tab (selective service without dropdown options)

The screenshot shows the 'Customer Information' window with the 'Characteristics' tab selected. The 'Selective Service' field is a dropdown menu. The 'Menu Selections' on the left includes 'Intake - Common', 'Eligibility', 'Program Detail', 'Assessment', 'Service Tracking', 'Counselor Notes', 'Change SSN', 'TANF History', 'FSE&T History', 'Customer Calendar', 'Performance Data', and 'Common Measure'. The 'Customer Search' section includes fields for SSN, Last, First, and TWST ID, along with a 'Search' button. The 'Customer' section includes fields for SSN, Name, Birth Date, Phone, Ext, and TWST ID. The 'Specialized Service' radio button is selected. The 'Characteristics' tab is active, showing various fields such as Gender, Hispanic/Latino, Runaway Youth, Migrant Seasonal Farm Worker, Race, Offender, Homeless, Citizenship, Deficient in Basic Literacy, INS Expiration, Limited English, Pregnant/Parenting Youth, Foster Child, Received Parent Training, Selective Service, Difficulty Paying Child Support, TANF Recipient, and Personal Responsibility Contract. The 'Selective Service' dropdown is currently empty.

Intake - Common – Characteristics Tab (selective service with dropdown options)

This screenshot is identical to the one above, but the 'Selective Service' dropdown menu is open, displaying the following options:

- 1 - Yes
- No
- Refused to answer
- 4 - No - Under 18
- 5 - No - Born Before 1960
- 6 - No - Document in File

WIA Program Detail – Characteristics Tab (selective service without dropdown options)

The screenshot shows the 'Customer Information' window with the 'Characteristics' tab selected. The 'Selective Service' dropdown menu is set to a solid blue bar, indicating that the dropdown options are hidden. The 'TANF Recipient' section includes checkboxes for 'Any 36 of the Preceding 60 Months', 'Any 30 Preceding Months', 'Within 12 Months of Time Limit', 'Reached Time Limit', and 'Predictive Characteristics' (which is checked).

WIA Program Detail – Characteristics Tab (selective service with dropdown options)

The screenshot shows the same 'Customer Information' window, but the 'Selective Service' dropdown menu is open, displaying a list of options: '1 - Yes', 'No' (with a red 'X' next to it), 'Refused to answer' (with a red 'X' next to it), '4 - No - Under 18', '5 - No - Born Before 1960', and '6 - No - Document in File'. The 'TANF Recipient' section is identical to the previous screenshot.
