23 **PART III. PUBLIC COMMENTS**

24 The public comment period closed on October 30, 2023.

25
26 TWC received comments from Year Up Austin.

27
28 **COMMENT:** Year Up Austin requested that TWC amend §810.1 to add language
29 stating that public junior colleges, public technical institutes, and nonprofit organizations
30 that administer workforce training programs demonstrate a history of and evidence of
31 strong outcomes.

32
33 **RESPONSE:** The Commission appreciates the comment. However, Texas Education
34 Code §134A.007 establishes grant eligibility. TWC has revised the proposed definition of
35 "eligible applicant" to reflect the statutory requirements. TWC will review each grant
36 application on a case-by-case basis and will ensure that applicants are adequately
37 qualified to meet grant requirements.

38
39 **COMMENT:** Year Up Austin asked if §810.2 needs to include a definition of "nonprofit
40 organization."

41
42 **RESPONSE:** The Commission appreciates the comment; however, the Commission
43 intends on developing and utilizing a definition of a "nonprofit organization" as part of
44 each grant cycle. No changes were made in response to this comment.

1 **COMMENT:** Year Up Austin recommended that TWC amend §810.4 so that waivers
2 should be reviewed by the advisory board for input but leave the final decision with the
3 Executive Director.

4
5 **RESPONSE:** As stated in §810.13, the advisory board shall provide advice and
6 recommendations to the Commission on awarding grants under this chapter. The advisory
7 board will not review individual applications. No changes were made in response to this
8 comment.

9
10 **COMMENT:** Year Up Austin asked how the Commission Chair is appointed and by
11 whom.

12
13 **RESPONSE:** The Governor of Texas appoints the Commission Chair. No changes were
14 made in response to this comment.

15
16 **COMMENT:** Year Up Austin asked what the requirements referenced in §810.21 are for
17 nonprofit organizations.

18
19 **RESPONSE:** Regarding which entities are eligible to receive a grant under this program,
20 please refer to Texas Education Code Chapter 134A. No changes were made in response
21 to this comment.

22
23 **COMMENT:** Year Up Austin asked if there is a list of high-growth career fields
24 currently available to view, as referenced under §810.24(b).

25
26 **RESPONSE:** TWC will publish a list of high-growth career fields to this program's
27 dedicated webpage following the formal rule adoption and Commission adoption of such
28 a list. No changes were made in response to this comment.

29
30 **COMMENT:** Year Up Austin recommended that TWC amend §810.24(c)(1) to specify
31 which reports are required by the applicant.

32
33 **RESPONSE:** Reporting requirements may vary from year to year. However, all
34 reporting requirements will be included in the contract between TWC and the grant
35 recipient. No changes were made in response to this comment.

36
37 **COMMENT:** Year Up Austin asked if there were additional limits on the grant amount
38 that can be awarded other than those listed in §810.25.

39
40 **RESPONSE:** Neither the statute nor this proposed rule identifies a financial limit aside
41 from the \$15,000 per training program participant. However, the Commission may adopt
42 limitations to the grant amount from time to time. No changes were made in response to
43 this comment.

44

1 **COMMENT:** Year Up Austin recommended that TWC amend the rule by adding the
2 following to the end of §810.26(2): "and promote enhanced educational and career
3 mobility."
4

5 **RESPONSE:** The Commission appreciates the comment; however, this requested change
6 is outside the scope of the proposed rulemaking. No changes were made in response to
7 this comment.
8

9 **COMMENT:** Year Up Austin recommended that TWC amend §810.28(a) to specifically
10 identify where the reporting requirement rules exist.
11

12 **RESPONSE:** Section 810.28 outlines reporting requirements that are defined by Texas
13 Education Code Chapter 134A. However, additional reporting requirements and penalties
14 may be enforced in the contract between TWC and the grant recipient. No changes were
15 made in response to this comment.
16

17 **PART IV. STATUTORY AUTHORITY**

21 Code Chapter 134A.
22

23 The rules are adopted under the general authority of Texas Labor Code §301.0015 and
24 §302.002(d), which provide TWC with the authority to adopt, amend, or repeal such rules
